1. 2nd Special Commutation Payment (December 2009)

- 1.1 In September 2009, CLG issued circular FPSC 7/2009 advising Fire and Rescue Authorities (FRAs) that the revised commutation factors for the FPS should be further backdated and applied to firefighter pensions that came into payment on or after 22nd August 2006.
- 1.2 CLG has now made a second special commutation top-up payment to help FRAs manage the additional liability relating to this further backdating of the revised commutation factors. These payments have been based on information submitted by FRAs in response to circular FPSC 7/2009. FRAs should receive their payment in their bank accounts on 30th December 2009.
- 1.3 Each FRA should record their payment as income on their LOGASnet unaudited 09/10 form (to be submitted in May 2010) and the LOGASnet audited 09/10 form (to be submitted in May 2011). I have made arrangements for a specific field to be inserted on the relevant LOGASnet forms and will provide further guidance in due course.
- 1.4 I have attached a table at Annex A which sets out the value of the second special commutation top-up payment for each FRA. If any FRA requires further clarification on the value of their Top Up grant, please email Anthony Mooney on anthony.mooney@communities.gsi.gov.uk.
- 1.5 May I take this opportunity to wish all a Merry Christmas and a Happy New Year.
