Dear Sir / Madam,

FiReControl Full Business Case

You will be interested to know that the Department has issued the Full Business Case for the FiReControl Project. I attach for your information a letter that I have sent to all Chief Fire Officers and FRA Chairs in England, along with the latest version of the Business Case.

These documents are now available on the FiReControl website. I am aware however that they may be of interest to your members, so wanted to draw your attention to them directly.

I would welcome your feedback on this current version of the business case.

Yours faithfully,

Richard How
FiReControl Project Director
