Dear Sir/Madam

**SCOTTISH FIRE AND RESCUE SERVICE CIRCULAR 10/2010:**

Your attention is brought to the recent publication by Communities and Local Government (CLG) of the following Fire Service Circulars:

**FSC 11/2010: Closure of the Fire Gateway web-site on 31 March 2010.**

This circular informed FRSs that the Fire Gateway website closed on 31 March 2010. It confirms arrangements for the closure of the site and provides information on the relocation of relevant information.

**FSC 13/2010: FRS Equality and Diversity Report 2010 and Equality and Diversity Awards 2010**

This circular informs of the publication of the FRS Equality and Diversity Report 2010 and announces the winners and runners-up in the 2010 Fire and Rescue and Diversity Award Scheme. Services may wish to consider these as examples of good practice in developing their own initiatives.

Although the circulars are principally of relevance to England, some of the information may be of interest to services in Scotland. A copy of the circulars can be found on the CLG website using the following link.
